Monthly savings	R451	R305	R88
Total monthly contribution	R4 516	R3 054	R885

HEALTH BOOSTER

The Health Booster provides additional benefits to Members at no extra cost. It is aimed at preventive treatment and therefore also gives access to free screening tests.

Only those benefits stated in the Benefit Structure under Health Booster will be paid by the Scheme, up to a maximum rand value which is determined according to specific tariff codes.

QUALIFICATION:

Members qualify automatically for Health Booster benefits according to the set criteria.

- However, pre-authorisation is required in order to access the Maternity benefits on Health Booster. Contact the Client Service Centre on **0860 671 050** to obtain authorisation. (Failing to do this will result in the service costs being deducted from day-to-day benefits.)
- Verify the tariff code or maximum rand value with the Call Centre consultant.
- Inform the service provider involved accordingly.

SCREENING TESTS:

One of the benefits available on the Health Booster programme is the Health Assessment. This assessment comprises the following screening tests:

- Body Mass Index (BMI)
- Blood sugar (finger prick test)
- Cholesterol (finger prick test)
- Blood pressure (systolic and diastolic)
- Prostate Phlebotomy for PSA test

Principal members and their Adult dependants will be entitled to one Health Assessment per calendar year and must have the screening tests done at a KeyHealth DSP pharmacy.

A Health Assessment (HA) form can be obtained at any KeyHealth DSP pharmacy or downloaded from www.keyhealthmedical.co.za.

No authorisation is required for these screening tests.

Results can be submitted by either the Member or the service provider and must be faxed to **0860 111 390**.

TYPE OF TEST	WHO & HOW OFTEN
PREVENTIVE CARE	
Baby immunisation	Child dependants aged ≤6 – as required by the Department of Health.
Flu vaccination	All beneficiaries.

*Pre-authorisation essential to access benefits

GLOSSARY

Agreed Tariff	A tariff agreed to from time to time between the Scheme and service providers, e.g. hospital groups.
Chronic Disease List (CDL)	A list of chronic illness conditions that are covered in terms of legislation.
Day-to-day benefit	A combined out-of-hospital limit which may be used by any beneficiary in respect of general practitioners, specialists, radiology, optical, pathology, prescribed medicine and auxiliary services, and which may include a sub-limit for self-medication.
DENIS (Dental Information Systems)	A service provider contracted by the Scheme to manage dental benefits on behalf of the Scheme according to protocols.
Designated Service Provider (DSP)	A provider that renders healthcare services to members at an agreed tariff and has to be used to qualify for certain benefits.
Emergency	An emergency medical condition means the sudden and unexpected onset of a health condition that requires immediate medical treatment and/or an operation. If the treatment is not available, the emergency could result in weakened bodily functions, serious and lasting damage to organs, limbs or other body parts, or even death.
Health Booster	An additional benefit for preventive health care.
Medical Scheme Tariff (MST)	Also referred to as KeyHealth tariff. A set of tariffs the Scheme pays for services rendered by service providers.
Optical Management	A cost and quality Optical Management programme provided by Opticlear.
Phlebotomy	The process of making an incision in a vein when collecting blood.
Physical Trauma	A severe bodily injury due to violence or an accident, e.g. gunshot, knife wound, fracture or motor vehicle accident. Serious and life-threatening physical injury, potentially resulting in secondary complications such as shock, respiratory failure and death. This includes penetrating, perforating and blunt force trauma.
OTC	Over-the-counter (medicine or glasses)
MSA	Medical Savings Account
Medicine on discharge	Medicine given to members upon discharge from a hospital. Does not include medicine obtained from a script received upon discharge.
pbpa	per beneficiary per annum (per year)
pbp2a	per beneficiary biennially [every 2 (second) year(s)]
pfpa	per family per annum (per year)
pfp2a	per family biennially [every 2 (second) year(s)]
2pfpa	2 per family per annum (per year)
